# FEPTO – FEDERATION of EUROPEAN PSYCHODRAMA TRAINING ORGANISATIONS

To whom it may concern

## Accusations against Dr. Galabina Tarashoeva

In the last days we have heard about accusations in public against Dr. Galabina Tarashoeva, which are questioning her professional behaviour and expertise. We are deeply concerned about these accusations, because Dr. Tarashoeva is not only founding member of the Federation of European and Mediterranean Psychodrama Training Organizations (FEPTO), but also a very active and supportive member of our professional community. As our colleague she has always shown great commitment to the quality of psychotherapy training and practise.

In my role as president of FEPTO and from my personal experience as a psychotherapy colleague of her I want to express my full trust in Dr. Tarashoeva being a professional, competent and reliable colleague and a very responsible member of our international organization of psychotherapy training institutes.

We hope that these accusations against her will be clarified in order to fully rehabilitate her personal and professional reputation.

With best regards,

Ao. Univ.-Prof. Dr. Johannes Krall  
President of FEPTO
